

HYUNDAI | NEW THINKING.
NEW POSSIBILITIES.

NEW GENERATION HYUNDAI **i30**

Think you know Hyundai? Think Again.
The New Generation Hyundai i30 Tourer.

CREATED TO A HIGHER QUALITY STANDARD.

Introducing the new generation Hyundai i30 Wagon. Designed and built in Europe for elevated quality beyond its class, and a focus on exceeding the demands of the European driver, starting with a highly developed sense of style inside and out. Its powerful flowing lines, striking appearance, and generously appointed interior make one point clear: the new i30 Tourer is anything but mainstream.

REINFORCED BY HYUNDAI STEEL.

Every detail of the i30 Wagon is built to last. That begins with strenuously tested high-tensile steel, forged in our own environmentally-friendly factory to meet our exacting standards. Among the advantages are greater strength for occupant safety, advanced production techniques to minimise weight and maximise fuel efficiency, plus extreme climate testing to ensure lasting protection against rust and wear.

VIEW SAFETY IN A NEW LIGHT.

The i30 Tourer offers an expanded choice of lighting features. For greater safety, LED daytime running lights are standard. The rear lights automatically flash during hard braking.

LED daytime running lights.

LED running lights improve road visibility, while adding an elegant style feature to the i30 Tourer. Safety is also enhanced by giving other vehicles an additional light source for reference.

Rear combination lamps.

Designed to wrap around the curved i30 Tourer body, our rear lamps automatically flash when you brake hard, so vehicles behind you get an extra warning.

Rear fog lamps.

Unlike other cars in its class, the i30 Tourer offers rear fog lamps on the left and right side of the vehicle. Under each bulb there is a reflector to make you more visible to drivers approaching from behind.

COMFORT, QUALITY & SPACE.

The Hyundai i30 Tourer offers 528 litres of cargo room with the rear seats in place. For greater protection as well as convenience, a number of additional options are available, including a luggage net, a cargo screen, an underfloor cargo box resulting in more functionality and safety.

Rear seats up

60:40 folding

60:40 folding

Full flat luggage compartment

Full-flat floor as standard.

To maximise the amount of available cargo space, the i30 Tourer offers the option of an innovative full-flat cargo floor. When folded down, the 60/40 split rear seats create a completely level floor which increases the total cargo area to a massive 1.642 litres. The flat floor also makes loading and unloading easier.

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

CONFIDENCE YOU CAN FEEL.

This is where the i30 Wagon driver feels most at home. From the comfortable driving position and generously appointed seats to innovative cockpit aesthetics and advanced technology, every aspect of the interior brings the driver in closer harmony with the i30 Tourer. The result is awe-inspiring. The driver feels at one with the road, more relaxed and focused. So even the longest drive is enjoyed in total comfort.

Leather seats. The optional leather seats feature a soft grain for a rich, warm feel. Height adjustment and seat heaters for comfort in cold weather are included.

Safety power window. Offers convenient one-touch up and down operation, plus an anti-pinching safety feature to prevent accidents or injuries.

WELCOME TO THE LEADING EDGE.

Take i30 Wagon technology even further. The i30 Tourer comes equipped with an array of advanced features that provide greater comfort and ease. Yet it doesn't end there. You also have a number of navigation, on-board entertainment, and custom interior options at your command.

Auxiliary ports. Features dual USB/iPod ports, plus an auxiliary port to connect or charge other devices. A 12-volt power outlet is also included.

Smart Key. With the Smart Key in your pocket, the i30 Tourer senses when you're close, and lets you unlock the car by simply pressing a button on the key.

Air Conditioning. Enjoy all-season comfort with air conditioning, automatic window defogging, and an ioniser that filters dust and pollutants from the incoming air.

Interior lighting. A multi-point lighting system includes driver and passenger map lights, plus a roof-mounted sunglasses holder.

6 SPEED MANUAL AND AUTOMATIC TRANSMISSION.

6-speed manual transmission. Available with the i30 Tourer 1.6 diesel engine, our 6-speed manual delivers incredibly precise gear changes and a smooth, confident feel. To further improve fuel economy and reduce CO₂ emissions, an indicator on the dashboard signals the ideal moment to shift, while Hill - start Assist Control prevents rollback when starting on an incline. A leather gearshift cover matched to a leather wrapped steering wheel is available as an option.

6-speed automatic transmission. The 1.6 litre engine can be combined with a smooth 6-speed automatic designed for greater acceleration and fuel economy. The transmission also includes an active eco system for a greater reduction of CO₂ emissions. A chrome surround is standard, with the option of a leather gearshift cover matched to a leather-wrapped steering wheel.

THE FUTURE IS CERTAIN.

Your Hyundai i30 Tourer is built to the highest quality standards. To ensure your complete satisfaction, we also offer our highest level of warranty protection: the 5-Year Warranty Service that reflects our commitment to long-term quality assurance and customer care.

5-YEAR UNLIMITED MILEAGE WARRANTY

Your 5-year unlimited mileage* warranty provides bumper to bumper coverage, including powertrain, plus a 12-year anti-perforation warranty. Your warranty is valid in 26 countries across Europe, excluding Russia, Croatia, and Ukraine.

*Vehicles used for taxi or rental car purposes are covered by a 3-year, 100,000 km warranty.

CARE & RELATION

The promise of a generous brand that cares about consumer needs, listens to feedback, and is keen on understanding how it can make a difference to people's lives.

5-YEAR ROADSIDE ASSISTANCE

As part of Hyundai's commitment to aftersales excellence, we have teamed up with AA Ireland offering you Hyundai Assist Roadside Assistance.

STRESS-FREE

A commitment to improve the quality of the ownership experience over time.

5-YEAR VEHICLE HEALTH CHECK

In addition to your scheduled service maintenance, your Hyundai dealer will perform a check on key elements of your i20, including engine, transmission, steering, suspension, and brake systems, during your 5-year warranty period.

RELIABLE

A reassurance over Hyundai's quality product, aimed at reducing perceived risks and lowering barriers to consideration.

Hyundai is constantly focused on understanding the changing needs of our customers. This is why we carefully listen to your feedback, and never stop the search for new ways to increase your long-term satisfaction as a Hyundai owner.

We hope our 5-Year Warranty package shows our commitment, appreciation, and focus on ensuring a reliable premium ownership experience. Together with our dealers across Ireland, we look forward to serving you, and exceeding your expectations each time you turn to us.*

*Taxi's, PSV's and Commercial vehicles will receive Hyundai's 3-yearwarranty. For more information please consult your main Hyundai dealer.

NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and has become an integral part of their lives. At the same time, the automobile industry has experienced seismic change.

Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.
