

NEW THINKING.
NEW POSSIBILITIES.

NEW GENERATION HYUNDAI *i30*

REINFORCED BY HYUNDAI STEEL.

Every detail of the i30 is built to last. That begins with strenuously tested high-tensile steel, forged in our own environmentally-friendly factory to meet our exacting standards. Among the advantages are greater strength for occupant safety, advanced production techniques to minimise weight and maximise fuel efficiency, plus extreme climate testing to ensure lasting protection against rust and wear.

REALISED BY THE POWER OF TEAMWORK.

Creating the i30 in Europe offered a host of design advantages. By centering the entire development of the i30 in one region, our design and build teams were able to collaborate more closely at every point in development, from first concept to final assembly and quality control. The result is a European partnership of talent that sets a new benchmark in quality and efficiency.

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

ENJOY EVERY BEAUTIFUL CURVE.

Winding turns and long bends are where the i30 shines. A highly refined chassis minimises body roll while providing exceptional response and feedback, allowing you to react to the road with confident ease. Take a curve, and the standard Electronic Stability Programme with Vehicle Stability Management helps you maintain a perfect line. The i30 is driving exhilaration on a new level.

ALWAYS TAKE ALONG PEACE OF MIND.

Wherever the road takes you, you'll never drive alone. Superior build quality and rigorous testing ensures that your i30 will always be a trusted daily partner. You also have the confidence of our comprehensive 5-Year Unlimited Mileage Warranty package, featuring a 5-year Unlimited Mileage Warranty plus five years of free roadside assistance and annual vehicle health checks.

CONFIDENCE YOU CAN FEEL.

This is where the i30 driver feels most at home. From the comfortable driving position and generously appointed seats to innovative cockpit aesthetics and advanced technology, every aspect of the interior brings the driver in closer harmony with the i30. The result is awe-inspiring. The driver feels at one with the road, more relaxed and focused. So even the longest drive is enjoyed in total comfort.

Leather interior available as an option

CONTROL EVERY TYPE OF ROAD.

Different driving situations call for different feedback. This is why the i30 offers the option of *FLEX STEER™ power-assisted steering with three response levels. Normal mode provides a fine-tuned response to city and country roads. When parking, Comfort mode makes tight spaces easier to handle. Then switch into Sport mode for fast, direct input at high speed. Each is available via a button on the steering wheel. *FLEX STEER™ available on Deluxe model only

EXTRA FLEXIBILITY WHERE IT COUNTS.

Take everything you need for the ride. Via intelligent ergonomics, the i30 offers spacious head, shoulder, and leg room for all passengers, plus an impressive 378 litres of cargo room with the rear seats in place. Fold them down, and the optional full-flat cargo floor delivers an incredible 1,316 litres of luggage space, giving you the freedom to carry the largest items with ease.

IMPROVED EFFICIENCY WITH POWER.

It's time to **accelerate beyond compromise**. Each of our three engines combines refreshing city and highway performance with fewer emissions. Our i30 engines also offer the option of our innovative Blue Drive™ technology for even greater fuel economy

MORE EMOTIONS.

No other car in its class will move you like the i30. An all-new range of advanced engines lets you select the ideal level of performance and lower CO2 emissions. All i30 engines are matched to a 6-speed transmission as standard.

LESS EMISSIONS.

Greater efficiency has never been so rewarding. From the start, the i30 was designed to raise the bar of fuel economy and efficiency. When combined with Blue Drive™ technology, our 1.6 litre diesel engines reduce CO₂ emissions to only 100 g/km, while delivering outstanding power and acceleration.

Gasoline engine

The i30 gasoline is an efficient Gamma 1.4 litre that provides 100 BHp. It features an all-aluminium ladder frame construction for improved durability and reduced noise.

Diesel engine

The i30 diesel range starts with a smooth 1.4 litre that provides 90 BHp. Also available is the high-torque 1.6 litre diesel engine with 110 BHp. Every i30 diesel features an all-aluminium ladder frame construction for improved durability and reduced noise, plus a diesel particle filter as standard.

For the good of the environment, all i30 engines include parts designed for higher recyclability, such as an ashable oil filter and plastic cylinder head covers.

Maximise fuel economy with Blue Drive™. Our Blue Drive™ technology adds a wealth of features to increase the efficiency of your i30 even more. Blue Drive™ technology includes low rolling resistance tyres for leaner fuel consumption, an alternator management system for reduced energy use, and an Integrated Stop & Go system. This cuts the engine when the car is at a standstill, then instantly resumes power when you hit the accelerator.

VIEW SAFETY IN A NEW LIGHT.

The i30 offers an expanded choice of lighting features. For greater safety from the start, LED daytime running lights and rear lights that automatically flash during hard braking are standard.

Rear combination lamps. Designed to wrap around the curved i30 body, our rear lamps automatically flash when you brake hard, so vehicles behind you get an extra warning. Bright LED lights that activate a split second faster than conventional lights are available as an option.

LED daytime running lights. LED running lights improve road visibility, while adding an elegant style feature to the i30. Safety is also enhanced by giving other vehicles an additional light source for reference.

Rear fog lamps. Unlike other cars in its class, the i30 offers rear fog lamps on the left and right side of the vehicle. Under each bulb there is a reflector to make you more visible to drivers approaching from behind.

GREATER PROTECTION WITH BRILLIANCE.

The i30 places safety in a whole new light. LED daytime running lights are standard. To help prevent rear collisions, an emergency brake signal is standard, plus optional LED rear lights for increased visibility. Even the outside mirrors can include spotlights for safer passenger entry and exit. *Standard on Deluxe model only

AIRBAG SAFETY AS STANDARD.

When it comes to protection, the i30 never compromises. From the start, the i30 was designed to lead its category in occupant safety. At the centre stands a 6-airbag system able to surround every occupant in the event of a collision. A combination of front, side, and curtain airbags protects the front and rear passengers.

Front, side, and curtain airbags as standard.

Two front airbags, two side airbags, and two full length curtain airbags work in a fully integrated system to greatly reduce the risk of serious injury. A passenger airbag cut-off switch is also standard, so babies are safe when on board.

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

ENHANCED TECHNOLOGY FOR DRIVERS.

The i30 is built for the modern world. Slip behind the wheel, and you'll find a host of advanced features for greater comfort and safety. The driver has access to a wealth of information on demand, plus extras that include FLEX STEER™, air conditioning, iPod/USB connectivity and more.

Interior available as an option

I30 SPECIFICATIONS & EQUIPMENT

The Hyundai i30 Classic comes with the following specification as standard:

Driver and Front Passenger Side Airbags
plus Full Length Curtain Airbags

Electronic Stability Programme (ESP)

Vehicle Stability Management (VSM)

Brake Assist Control (BAC)

Drive Away Door Locking

Manual Air Conditioning (with glovebox cooling)

Driver's Seat and Front Seatbelt Height Adjustment

15" Steel Wheels with Wheel Trims

Body Colour Door Handles

Body Colour Bumpers

Dashboard Trim Insert in Brushed Metal Finish

Audio System including Radio / CD / MP3
Compatibility / Aux + USB + iPod Connectivity

MyMusic Function

LED Daytime Running Lights & Front Fog Lights

"Lane Change" One Touch Triple Indicator Signal

Front Fog Lights

Indicator Repeaters Mounted on Door Mirrors

Map Reading Light (front)

Luggage Compartment Light

2 X 12V Power Outlet Located in Centre Console

Heated Electrically Operated Door Mirrors

Split Folding Rear Seat (60:40)

Eco Shift Indicator (Suggests the most
efficient timing of gear shifts)

Luggage Net

The Hyundai i30 Deluxe encompasses all the specifications of the Classic model plus:

Cruise Control with Speed Limiter

Flex Steer System (3 steering modes: Normal, Comfort, Sport)

Adjustable Front Armrest with Storage Box

16" Alloy Wheels

Voice Recognition for Audio System

Voice Activated Bluetooth

Multifunctional Steering Wheel

Automatic Light Control (Lights switch on and off as needed)

Electric Folding Door Mirrors

Front Seatback Pockets

*Available on certain models only

MORE INTERIOR DESIGN BY CHOICE.

Tailor the i30 to your fashion sense. A wider range of high-quality fabrics and colours are available to truly make the i30 interior your own. Each is available with a number of standard features, plus a range of options to create a more personal touch.*

Seatback pockets. Convenient pockets behind the front seats are standard on all Deluxe models, or available as an option with the Classic. The pockets make it easy to store maps, papers and more.

*Interior available as an option only

Centre armrest. The centre armrest features a hidden storage compartment for small items. For extra driver comfort, a sliding armrest is available as an option.

A-pillar covers. Add an elegant finish to your i30 interior with a cloth cover for both A-pillars. The covers are soft to the touch yet highly durable.

Tweeters. For enhanced sound quality, the audio system can also include two tweeters, discreetly integrated in the front door panels.

Front and rear speakers. All audio systems include at least four speakers as standard – two front speakers positioned for ideal range and two speakers in the rear doors.

Generous cargo space. The i30 offers 378 litres of cargo room with the rear seats in place. For greater protection as well as convenience, a number of additional options are available, including a luggage power outlet, luggage net, hooks, and an underfloor cargo box that provides even more storage space.

Optional full-flat floor. To maximise the amount of available cargo space, the i30 offers the option of an innovative full-flat cargo floor. When folded down, the 60/40 split bench rear seats create a completely level floor which increases the total cargo area to a massive 1,316 litres. The flat floor also makes loading and unloading easier.

PASSION FOR DETAIL.

Too much choice is never enough.

Leather interior available as an option

Black interior. Give your i30 a clean and striking look with an all-black interior

***Power window switch panel.** Ergonomically positioned for the driver, the panel outlined in fine chrome also includes adjustment controls for the outside mirrors.

*Full automatic windows available as an option

Centre cup holder. A double cup holder in the centre console is standard. Select our optional electronic parking brake and the holder includes an extra storage area for valuables.

Chrome door handles. Featuring a high-quality finish, our chrome handles add a dynamic style element to the i30 interior.

Spacious glove box. Built into the stylish curved dashboard is a large glove box offering a generous eight litres of space.

WELCOME TO THE LEADING EDGE.

Take i30 technology even further. The i30 comes equipped with an array of advanced features that provide greater comfort and ease. Yet it doesn't end there. You also have a number of navigation, on-board entertainment, and custom interior options at your command.

Air Conditioning. Enjoy all-season comfort with air-conditioning and automatic window defogging

*Heated seats available as an option

*Image is for display purposes only. Please consult your local dealer for more information

Auxiliary ports. Features dual USB/iPod ports, plus an auxiliary port to connect or charge other devices. A 12-volt power outlet is also included.

Interior lighting. A multi-point lighting system includes driver and passenger map lights, plus a roof-mounted sunglasses holder.

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

6-speed manual transmission. Available with 1.6 diesel engine, our 6-speed manual delivers incredibly precise gear changes and a smooth, confident feel. To further improve fuel economy and reduce CO₂ emissions, an indicator on the dashboard signals the ideal moment to shift, while Hill-start Assist Control prevents rollback when starting on an incline. A leather gearshift cover matched to a leather-wrapped steering wheel is available as an option.

6-speed automatic transmission. Each of our 1.6 litre engines can be combined with a smooth 6-speed automatic designed for greater acceleration and fuel economy. The transmission also includes an active eco system for a greater reduction of CO₂ emissions. A chrome surround is standard, with the option of a leather gearshift cover matched to a leather-wrapped steering wheel.

ENJOY EVERY MINUTE BEHIND THE WHEEL.

Take control of the i30. The i30 is designed to offer its driver optimal comfort and convenience. All controls are ergonomically placed for easy reach and provides essential vehicle information at a glance.

Multifunction steering wheel. Finished in soft, supple leather, our optional multifunction steering wheel adds a sporty touch while placing all controls at your fingertips. For improved response, motor-driven power steering is included, with the option of FLEX STEER™ for driver-controlled road feedback. The wheel can be set to the perfect driving position via manual tilt and telescopic adjustment.

Interior available on deluxe model

Left side controls. Arranged on the left of the 3-spoke wheel are all audio controls, plus a remote control for Bluetooth™ with voice recognition.

FLEX STEER™ display. Each time you select a different FLEX STEER™ mode, confirmation is shown on the driver display. You can view the current mode at any time: Normal mode for city and country roads, Sport mode for faster response at high speed, and Comfort mode for easier parking.

Right side controls. On the right of the 3-spoke wheel are driver controls such as FLEX STEER™ settings, cruise control with speed limiter, and driver display options.

Trip information. The display features trip computers to help you monitor driving range, fuel economy, and additional trip information.

THE FUTURE IS CERTAIN.

Your Hyundai i30 is built to the highest quality standards. To ensure your complete satisfaction, we also offer our highest level of warranty protection: the 5-Year Unlimited Mileage Warranty that reflects our commitment to long-term quality assurance and customer care.

5-YEAR UNLIMITED MILEAGE WARRANTY

Your 5-year unlimited mileage* warranty provides bumper to bumper coverage, including powertrain, plus a 12-year anti-perforation warranty. Your warranty is valid in 26 countries across Europe, excluding Russia, Croatia, and Ukraine. ▶

*Vehicles used for taxi or rental car purposes are covered by a 3-year, 100,000 km warranty.

CARE & RELATION

The promise of a generous brand that cares about consumer needs, listens to feedback, and is keen on understanding how it can make a difference to people's lives.

5-YEAR ROADSIDE ASSISTANCE

As part of Hyundai's commitment to aftersales excellence, we have teamed up with AA Ireland offering you Hyundai Assist Roadside Assistance. ▶

STRESS-FREE

A commitment to improve the quality of the ownership experience over time.

5-YEAR VEHICLE HEALTH CHECK

In addition to your annual main service maintenance, your Hyundai dealer will perform a check on key elements of your i30, including engine, transmission, steering, suspension, and brake systems, during your 5-year warranty period. ▶

RELIABLE

A reassurance over Hyundai's quality product, aimed at reducing perceived risks and lowering barriers to consideration.

Hyundai is constantly focused on understanding the changing needs of our customers. This is why we carefully listen to your feedback, and never stop the search for new ways to increase your long-term satisfaction as a Hyundai owner.

We hope our 5-Year Warranty package shows our commitment, appreciation, and focus on ensuring a reliable premium ownership experience. Together with our dealers across Ireland, we look forward to serving you, and exceeding your expectations each time you turn to us.

NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and has become an integral part of their lives. At the same time, the automobile industry has experienced seismic change.

Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.
