

HYUNDAI | NEW THINKING.
NEW POSSIBILITIES.

i40

I40 CLEARLY STANDS OUT

The Hyundai i40 allows you to demand more. The i40 is shaking up the Irish car market. Combining beautiful balanced style with a spacious interior, agile handling and frugal but dynamic new powertrains, i40 clearly stands apart from the rest.

Specification may vary from that shown. Please consult your local Hyundai dealer for more information.

THE HYUNDAI i40

The i40 reflects your sense of style: simple, rational and thoroughly modern. It's the perfect expression of your individuality and how you prefer to follow your own road. And i40 is the most logical way to go.

Cabin and cargo space are more than ample, while the interior is first-class. i40 is powered by a new generation of engines and transmissions that deliver class-leading fuel economy while actually increasing power over the previous generation of power plants. And it's reassuring to know that i40 has earned maximum points in crash tests conducted by the leading EU safety certifying bodies.

YOUR LEISURE-CLASS TICKET

Jump off that treadmill and escape the daily grind in your i40, if only for the briefest interlude. Offering serene comfort and relaxation, i40 is your ticket to leisurely driving – wherever your travels take you. Its cabin is soothingly quiet, while the ride is smooth and stable. To ensure i40 delivers a lively and engaging driving experience, its steering and suspension have been carefully fine-tuned, along with other elements that play a role in vehicle ride and handling dynamics. And to simplify decision-making, i40 is offered in a choice of three trims: Comfort, Executive and Premium.

Specification may vary from that shown. Please consult your local Hyundai dealer for more information.

i40 COMFORT

The Hyundai i40 Comfort model comes with the following specification as standard:

- Standard 9 air bag system – including rear side airbags
- Idle stop & go (not applicable to automatic transmission)
- ESC (electric stability control)
- BAS (brake assistant system)
- HAC (hill assist control)
- VSM (vehicle stability management)
- LED Day time running lights
- Rear view mirror with manual day/night adjustment
- Electronic parking brake with auto hold
- Remote central locking with multifunction folding key
- Alarm with panic button on key
- ABS (Anti-Lock Brake System)
- ESS (Emergency Stop Signal)
- Childlocks on rear doors
- Speed sensing auto door lock
- Front active head restraint (both sides)
- Manual air conditioning
- Leather steering wheel & gear knob
- Tinted glass & windscreen shade band
- 16" Steel wheels with wheel trims
- Body coloured bumpers
- Body coloured door mirrors
- Radio + CD + MP3 + RDS + USB + AUX + iPod
- Bluetooth + voice recognition (phone & audio stream)
- Auto light control
- One touch triple indicator signal
- Front fog lamp
- Side repeater in outside mirror
- Rear spoiler with integrated LED brake light
- Split fold rear seat (60:40)
- Eco shift indicator
- Front armrest with storage compartment
- Driver & passenger vanity mirrors

i40 EXECUTIVE

The Hyundai i40 Executive model encompasses all the features of the Comfort model, plus:

- Electrochromatic rear view mirror
- Integrated rear view camera in rear view mirror (Unique to Executive model)
- Electric driver's seat (includes lumbar, height, recline, slide and tilt)
- Dual zone Climate Control with auto de-mist function
- Cruise Control with speed limiter
- Rear safety windows – Automatic up down
- Automatic Rain Sensor
- 16" Alloy wheels
- Body coloured door handles plus Chrome Trim
- Dashboard Trim Insert (Brushed metal finish)
- Door trim insert (Brushed metal finish)
- Chrome effect interior door handles
- i40 Kick plates on all door sills
- Interior lighting: Driver and front passenger footwell light

i40 PREMIUM

The Hyundai i40 Premium model encompasses all features of the Executive model plus:

- Touchscreen Satellite Navigation system
- Front and Rear Proximity Sensors
- Leather Interior
- Panoramic Tilt & Slide Sunroof

Specification may vary. Please contact your local Hyundai dealer for more information.

SOME ROADS YOU WISH WOULD GO ON FOREVER

Great drives provide lifelong memories. i40 is the perfect companion to set out with on the trip of a lifetime. Safe, comfortable and a pleasure to drive. The new engines offer plenty of power when you need it.

Specification may vary from that shown.
Please contact your local Hyundai dealer for more information.

Specification may vary from that shown. Please consult your local Hyundai dealer for more information.

The i IN i40 STANDS FOR INTELLIGENCE

Just how intelligent is the i40? A sizeable amount of brainpower resides in the highly sophisticated software and computer chips developed for the i40's entertainment system. The Bluetooth audio system (with built-in microphone) interfaces with Bluetooth-enabled phones to allow hands-free dialing and talking.

A. Premium sound system

The standard configuration starts with six speakers delivering rich, wonderful sound, also with iPod, USB & Auxillary inputs.

B. iPhone, iPod and USB port

Connection ports are provided to connect most types of personal music players including USB memory devices.

C. Steering wheel remote control

For more convenient and safer driving, the remote switches provide controls over the audio system thereby encouraging the driver to always keep both hands on the wheel.

A detailed view of the front interior of a Hyundai i40. The image shows the dashboard, center console, and steering wheel. The dashboard features a large digital display showing '87.5' and '22-17'. The center console has a gear shift and handbrake. The steering wheel is visible on the left. The overall design is modern and sleek, with a focus on functionality and ease of use.

CLEAR TO GO

One look at the i40 interior and it all becomes clear. There's intelligent design at work here. All the guesswork has been eliminated. All gauges and controls have been perfectly sized and laid out in logical clusters for effortless operation. As for the selection of materials, they are all premium grade and the detailed workmanship is a joy to behold.

Specification may vary from that shown. Please contact your local Hyundai dealer for more information.

Specification may vary from that shown. Please consult your local Hyundai dealer for more information.

i40 OPENS UP A WHOLE NEW DIMENSION

From the moment you first set foot in the cabin, the effect is striking. Surfaces are treated in a sophisticated colour scheme using muted, carefully coordinated shades. Key touch points have delightful textures for a luxurious feeling.

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

A. Electric parking brake

The new-style brake frees up precious cabin space. The push-button switch is computer linked so it's smart.

B. Driver power seat (Executive Model only)

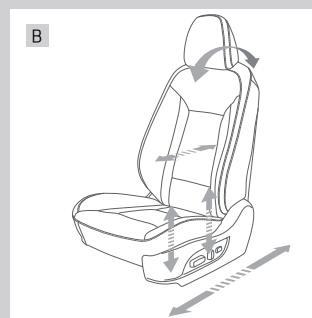

Adjustable in ten different directions, the electrically-controlled driver seat includes a new power lumbar support to promote greater comfort, alertness and safety.

C. Deluxe centre armrest

The central armrest's multi-box access opens to different compartments providing a place for everything from CDs to other small items... all within a simply soft place to rest your arm.

D. Storage Box

Handy container for storing those little odds and ends. A sliding cover helps keep a neat appearance.

Specification may vary. Please contact your local Hyundai dealer for further details.

GONE IN SECONDS

i40's entire second row can be made to disappear in seconds. With the release of a simple lever, backrests easily fold into the floor to create an extended cargo space, which can be quite handy for those occasions when you need more room to transport your mountain bike or similar over-sized items.

For added versatility, the rear seats come equipped with a 60:40 split-folding feature, so you can still carry the cargo plus a rear seat passenger or two. The optional floor rail system helps to keep luggage safely secured*.

A. 60/40 seat folding

For added versatility, the rear seat backrests feature a 60:40 split, so you can still carry the cargo plus a rear seat passenger or two.

B. Full-flat folding rear seats

Rear seat backrests have been designed to fold flat into the floor so that the extended cargo space is perfectly smooth and even.

C. Luggage area

The floor rail system (Executive model) can prove to be a very handy option for the cargo space. The rails help to keep the luggage safely secured during transport.

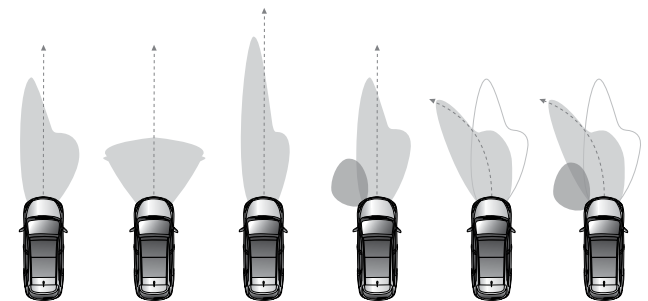

Specification may vary. Please contact your local Hyundai dealer for further details.

Pure driving delight is what i40 is all about. It's definitely a driver's car that, when put to the task, is quite capable of delivering an exhilarating driving experience: because i40's chassis has been carefully tuned to capture just the correct amount of feedback from the road.

Front lighting system

i40's intelligence extends its sophisticated illumination system. The standard static cornering light enables the driver to see more when driving through a curve or executing a turn. The auto-light control turns headlamps on automatically at dusk and off again at dawn.

NO FILLING STATION IN SIGHT? NO WORRIES

i40's new generation of engines and transmissions are designed to take you further than ever before between fill-ups. Six-speed transmissions and Idle Stop & Go are just a few of the numerous technical innovations that help squeeze more energy out of every drop of fuel.

A. 6-speed automatic transmissions

Six gears are better than five - especially if the six-speed is more compact, smoother and quieter than the five-speed it replaces. And that's just what Hyundai has done, adding an extra gear to boost fuel economy.

B. 6-speed manual transmissions

For driving purists who prefer to do their own shifting, Hyundai offers a six-speed manual. economical, quiet and ultra-smooth, the six-speed is designed to enhance your driving experience.

NO DOUBT ABOUT IT

i40 proudly takes its place among the safest cars on the road today. But you don't just have to take our word for it. In standardised crash tests conducted by leading independent safety organisations in the EU, i40 has equalled the best scores attained so far and, in some cases, bettered them. Hyundai has devoted formidable resources to improving the safety of its cars, including building our own steel mill to ensure the supply of the highest quality metals, to ensure our car bodies are not only the strongest, but lightweight enough to not compromise fuel economy.

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

One-touch signal system

Unlike the mechanical system which requires a major turn of the wheel to cancel a right or left turn signal, the single-touch system is designed specifically for lane changes.

A gentle tap of the control stalk triggers three flashes of the turn signal, after which the system self-cancels.

Hot stamping method

Premium ultra-high tensile strength steel is used in key body areas to maximise strength. But the steel is so hard it must first be pre-heated to 900 °C before stamping. This Hyundai innovation offers more protection to the driver and passengers in the event of a collision.

Brake assist system

Advanced electronics are capable of making near-instantaneous calculations about road conditions, vehicle weight distribution and the correct amount of braking force in order to bring the vehicle to a safe stop within the shortest distance possible.

Ultra-high tensile strength steel

No ordinary, run-of-the-mill steel, the ultra-high tensile strength steel is a high performance special steel alloy applied to safety-critical areas of the body shell where additional strength reinforcement is required.

Steel multi-coned structure and bonnet inner frame

Applied to the bonnet, this novel structure is highly effective in absorbing impact forces and represents a major advance in reducing the risk of serious head injuries in pedestrian-car collisions.

A. 9-airbags protection

With nine airbags, including two side curtain airbags and four thorax airbags at the outboard seating positions plus a new airbag offering driver knee protection, i40 takes every possible precaution to reduce the risk of serious injury.

B. Knee airbag

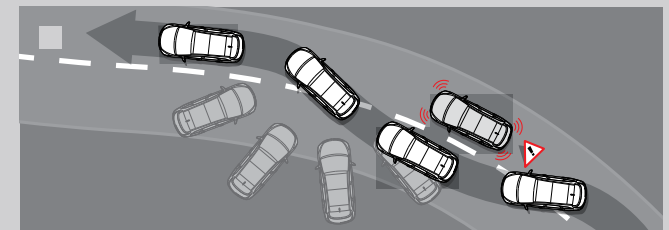

Installed just below the steering column, this new airbag is designed to reduce the risk of serious injuries to the driver's legs and knees in the event of a serious frontal collision.

C. Hill-start assist control

This technology brings peace of mind and ends all anxieties about the vehicle rolling backwards when the foot is taken off the brake after a stop on a steep hill.

D. Electronic stability program (ESP)

ESP continuously monitors vehicle directional stability and tyre traction. If the system senses the car is about to skid and risks spinning out of control, ESP automatically intervenes, applying the brakes over individual wheels to prevent loss of directional control.

THAT CONFIDENT FEELING

Once you've taken i40 for a spin and experienced its capabilities, you'll notice a really good feeling coming on. That's the feeling of confidence. Total confidence in the build quality. Pride in the styling. Joy, exhilaration and the sheer pleasure of driving a beautifully engineered machine. With Hyundai's i40, confidence will be your constant driving companion.

To ensure you enjoy each and every mile for years to come, every Hyundai i40 comes with the 5-Year Warranty as standard*. This warranty is designed to give you peace of mind for 5 years with unlimited mileage. We even provide roadside assistance within the warranty period and perform a check on key elements of your car, in addition to your main annual service. You'll see, some things in life do come with a guarantee.

5-years unlimited mileage warranty

5-years roadside assistance

5-years vehicle health check

*Terms and conditions apply

THE FUTURE IS CERTAIN.

There is one thing the new Hyundai i40 has no room for: worries. Instead, we give drivers complete peace of mind with a warranty service that you can trust. Our 5 Year Unlimited Mileage Warranty reflects our commitment to giving you the best quality and customer care. As a result, you can focus on enjoying the drive for years to come.

5-years unlimited mileage warranty

5-years bumper-to-bumper warranty, including powertrain, as well as a 12-years anti-perforation warranty. It covers 26 European countries (excluding Russia, Croatia and the Ukraine).

5-years roadside assistance

As part of Hyundai's commitment to aftersales excellence, we have teamed up with AA Ireland offering you Hyundai Assist Roadside Assistance.

5-years vehicle health check

For 5 years, besides your main annual service maintenance, your Hyundai dealer will perform a check on key elements of car care, including engine, transmission, steering, suspension and brake systems.

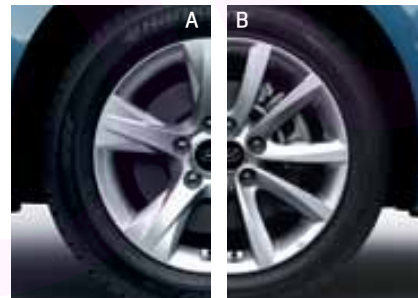

You see, Hyundai gives you the reassurance and the peace of mind to enjoy your i40 to the fullest.

*Vehicles used for taxi or rental car purposes are covered by a 3-years, 100,000 km warranty.

THE BEAUTY IN THE DETAILS

By taking a little time for a closer look at i40's numerous features and understanding their benefits, a general impression grows into a true appreciation of the car and a real passion for the Hyundai brand.

LED daytime running lights

Serving as a high visibility signature of the i40, this highly distinctive daytime running light is supplied as standard.

LED-type rear combination lamps

Large, wraparound rear combination lamps are handsomely sculpted and use an LED array for maximum brightness and enhanced safety. By lighting up a split second faster than conventional lamps, they alert the following driver sooner.

Front fog lamps

Front fog lamps feature clear lenses and an extra low mounting point for maximum penetration in foggy driving conditions.

Outside mirror

Aerodynamically sculpted housing minimises wind noise and includes an LED side repeater to promote safer lane changes.

Auto defog*

In the event that the windscreen becomes obscured by mist, an auto-defog system detects this and clears it automatically. *Executive & Premium models

A. 16-inch alloy wheels

Fuel-saving 16-inch alloy wheels feature an elegant new spoke design.
Part No.: 3ZF40AC100

B. 17-inch alloy wheels*

Fuel-saving 17-inch alloy wheels feature an elegant new spoke design.
Part No.: 3ZF40AC200. *Available as an option

High mounted stop lamp

Maximum visibility and safety are ensured by mounting this safety lamp into the roof spoiler and fitting it with an array of bright red LEDs.

Bluetooth hands-free capability (with voice recognition)

i40 Bluetooth comes with steering column mounted controls and a built-in microphone. Interfacing seamlessly with Bluetooth-enabled phones and responding to voice commands, this hands-free solution promotes safer driving.

THE CROWNING TOUCH

How do you take a great package like i40 and make it even greater? By adding technology-rich features which put the pleasure back into driving. Features which make the daily commute something you can really look forward to. Features which let you relax behind the wheel and allow you to enjoy some happy moments.

Electro-Chromatic mirror*

When the i40 is backing up, the rear camera sends an image to the miniature video screen built into the electro-chromatic rear view mirror.

*Executive model only

Auto cruise control switch*

Loved by long-distance drivers, the auto cruise controls are conveniently mounted on the steering wheel for quick engagement and disengagement. A gentle tap on the brake pedal will also turn off the system. *Executive & Premium models

Manual air conditioner*

The manual air conditioning system is simpler but still highly capable and delivers outstanding cooling power.

*Comfort model

Rear armrest with cup holder

For the comfort of rear seat passengers, i40 comes with a foldable armrest which includes built-in cupholders.

Dual climate control*

Driver and front passenger have their own individual temperature controls. System is able to automatically maintain pre-set temperatures for the two zones. *Executive & Premium models

ISOFIX child seat

The simple-to-use ISOFIX ensures the child seat is securely anchored for maximum safety.

Light controller

i40 gets a European-style light switch mounted on the dashboard in response to research findings from customer focus groups.

Specification may vary from that shown. Please consult your local Hyundai dealer for more information.

ACCESSORIES

READY FOR THE BIG ENTRANCE

Make a unique impression! The comprehensive and elegant styling accessories for the i40 leave nothing to be desired when it comes to personalising your car and ensuring that it stands out from all the other vehicles on the road.

A. Side door moulding

They protect the paint and body against scratches and dents, while simultaneously accentuating the vehicle's striking design.

Part No.: 3Z271ADE00

C. Aluminium roof rack

Easy to install and remove. Unique OE design.

Part No.: 3Z210ADE00AL (Tourer)

Part No.: 3Z210ADE10AL (Saloon)

B. Body styling kit (piano black)

The lower panel for the front and back underscore the i40's elegant appearance and protect against dirt and damage.

Part No.: 3Z420ADE10BL (Front)

Part No.: 3Z420ADE20BL (Rear)

Side Skirt

Not illustrated

Part No.: 3Z420ADE30BL

D. Tow-bar fixed

Perfect solution for regular use.

Made of high quality steel. Maximum towing load capacity 1800kg.

Part No.: 3Z280ADU01 (Saloon)

Part No.: 3Z280ADE00 (Tourer)

Tow-bar wiring supplied separately (not illustrated)

E. Thule Free-Ride 532 bike carrier

A simple and fast way to securely attach bike using a frame holder with a quick-release clamp. Requires roof base rack. Part No.: 55701SBA20

F. Blue LED lighting foot area

Concealed floor illumination for the front foot space. It provides welcome illumination that automatically switches on and off with the opening and closing of the front doors.

Part No.: 99650ADE00

THE DETAILS MAKE ALL THE DIFFERENCE

G. Rear bumper loading protection (transparent/black)

Protects the rear bumper from scratches and dirt when loading and unloading cargo.

Part No.: 3Z272ADE00/TR/BL (Tourer)

Part No.: 3Z272ADE01/TR/BL (Saloon)

H. iPad holder

Part No.: 99582ADE00

I. Boot liner

Part No.: 3Z122ADE10 (Saloon)

Part No.: 3Z122ADE00 (Tourer with luggage rails)

Part No.: 3Z122ADE01 (Tourer without luggage rails)

J. Wind deflector (front)

Guides the wind past your window and makes you more comfortable by ventilating the vehicle's interior.

Part No.: 3Z221ADE00

K. Textile floor mats

High-quality soft velour floor mats.

Part No.: 3Z143ADE10

Rubber floor mats

Not illustrated

Part No.: 3Z131ADE10

NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and has become an integral part of their lives. At the same time, the automobile industry has experienced seismic change.

Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.
