

HYUNDAI

NEW THINKING.
NEW POSSIBILITIES.

SANTAFE

INSPIRE ME

I heard the spontaneous concert of the winds, clouds, and the waves.
I encountered an unforgettable scene that a camera could never capture.
Newness that can only be experienced when we leave for a place
where the “unknown” exceeds the “known.”
Me and my Santa Fe—that’s where we have come to.

7.5JX19 alloy wheels available on premium models only

THE EVERY MOMENT WITH SANTA FE

Time and opportunities are given to everyone. The difference in happiness comes from whether we “seize” or “miss” the values, both big and small, that every moment of our everyday lives has to offer. Storm Edge—the concept behind the design of the Santa Fe, which captured the powerful yet fragile moment of nature in motion during the rise and fall of a storm. It seems to be telling us that the brilliant moments that we should not miss are, in fact, right before our eyes.

FE

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

HIGHER LEVEL OF COMFORT

It no longer makes sense to expect different levels of comfort between sedans and SUVs. A design that features an ergonomic interior layout, sports luxurious quality seats, and ensures a quiet and smooth ride; state-of-the-art convenience features that offer the highest level of comfort; and the versatility of space that only an SUV can provide—the all new Santa Fe has become even more comfortable, making traveling a new favorite pastime and reminding us without words how precious the moments we spend with our family are.

Interior available in black and beige only

The inner space as well as the size and layout of the seats of the Santa Fe have been optimised to make it practical for any situation, whether it is for leisure or business. In particular, the rear seats can be divided into a 4:2:4 ratio, leaving enough seating room all the while allowing large loads. From business to daily family life with children, the Santa Fe offers seat variations that are easy to manipulate and extremely versatile, with 40-40-20 split folding seats.

A PERFECT BLEND OF FUTURISTIC TECHNOLOGIES AND ERGONOMICS

An ergonomic space with an optimised layout of a stack of cutting edge convenience features offers a sense of pleasure that only the person sitting in the driver's seat of the Santa Fe can experience and enjoy.

Optional audio

Navigation & Audio system

The 7 inch smart navigation enables you to conveniently manage diverse driving information and multi-media. You can also appreciate the true sounds of your radio, CDs, and MP3 files through the audio system featuring the Premium Sound System (10 speakers + amplifier). Standard and optional audios are fitted with the Virtual Surround System (6 speakers).

Available on premium models only

Standard audio

Panoramic sunroof

Santa Fe's panoramic sunroof offers even more openness compared to conventional panoramic sunroofs by eliminating the centre beam of head lining and using motor-driven roller blinds.

* Available on premium models only

Flex steer

Flex Steer enables drivers to choose among three driving modes (Normal/Sport/Comfort) according to their preference. A dedicated switch imbedded in the steering wheel is easy to operate and can be switched while driving or when the vehicle is still.

CONVENIENCES THAT AWAKEN THE PLEASURE OF DRIVING

Savouring the pleasure of driving, snuggled in my comfortable seat, and enjoying the wide open sky. I can even feel the sense of ease of my fellow passenger. The cityscape that I am so familiar with takes on a whole new dimension.

Cluster ioniser

An air-purifying device installed in the cluster removes harmful viruses and odours inside the car and creates a healthy interior by releasing negative ions that keep air clean at all times.

* Available on 4-wheel drive models only

Second seat 4:2:4 folding
The second row rear seat folds in a 4:2:4 ratio to allow even greater efficiency depending on the number of passengers and the luggage size and shape.

SPACE THAT IS LUXURIOUS YET PRACTICAL

A sense of comfort not only in the front but also in the back so that the entire family can enjoy the ride, not to mention a roomy luggage space, and makes any journey a relaxing memory to cherish.

Second seat remote folding

Santa Fe's rear seat layout was designed to provide passengers maximum comfort. Its 2nd seat remote folding feature conveniently creates a large luggage space with the activation of a lever.

Luggage space

Generous storage space makes it possible to load large, voluminous items.

Rear centre armrest cup holder

Armrest in the centre of the rear seats has been designed with the comfort of the backseat passengers in mind, and has built-in, pull-out cup holders for increased riding pleasure.

SANTA FE COMFORT

The Santa Fe Comfort comes with generous specification and a host of features that will benefit your driving experience including a low pressure ERG Valve that reduces the Co2 level emissions of your Santa Fe.

SANTA FE PREMIUM

The 4-wheel drive Automatic Santa Fe is comprised of the full Santa Fe Executive specifications plus:

- 19 Inch Alloy Wheels
- Power Seat (Driver Seat Only)
- Panoramic Sunroof
- Satellite Navigation

A NEW WORLD OF PERFORMANCE

The reason why engine performance should be incessantly upgraded is not just to gain explosive power, speedy response, and minimum vibration and noise. What is even more important is to minimise fuel consumption and harmful emissions. Santa Fe's R 2.2 engine lets drivers experience an engine performance that is one step ahead of others. Flawless safety measures, from design up to the mounting of the latest high-tech equipments, also instill a sense of trust never experienced before.

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

Front and rear suspension

A newly designed McPherson strut front suspension delivers a better ride and greater stability while driving and braking. A multi-link rear suspension makes it possible to create a more spacious rear compartment than in-wheel rear suspension cars, delivering a more comfortable ride.

6-speed transmissions

The step-change performance improvements in acceleration, durability, and efficiency of Santa Fe's six-speed automatic and manual transmissions enable drivers to simultaneously experience the excitement and convenience of driving.

WIN-WIN STRATEGY OF PERFORMANCE AND FUEL EFFICIENCY

Superb power performance, the most advanced driving features that ensure safety, and an efficient transmission – driving the Santa Fe is always an exceptional experience, under any weather or road condition.

ESC / 4WD Assistance Control

ESC / 4WD Assistance Control is a function that minimises the risk of running off course in the event of entering a curve at high speeds. 4WD distributes traction to the rear wheels while ESC exerts braking in the inner rear wheel to help control the vehicle in advance, at a stage before conventional ESC systems would activate. They deliver more stable driving performance by helping drivers control their vehicle at will and improving driving agility.

CONSIDERATIONS THAT PUT FAMILY FIRST

Highly rigid car body and state-of-the-art airbag system, a wide range of safety features that have been fine-tuned to come closer to perfection.

Downhill brake control

DBC is a system that automatically controls Santa Fe's speed on steep declines to control braking. It is one of Santa Fe's features that ensure stable driving under a variety of road conditions.

7 airbag system & rollover sensor

Lower pressure deployment airbags prevent secondary injuries that can occur during airbag activation. The airbag system consists of side and curtain airbags, in addition to a driver-side knee airbag to minimise driver injuries. Rollover sensors detect vehicle rollovers in advance and activate the airbags to ensure safety.

SANTAFE

HYUNDAI

SANTAFE

INSPIRATIONS THAT ONLY SANTA FE CAN GIVE

Night time... I was greeted again by the city lights.
Beauty that you can only start to see when you've left its side.
Me and my Santa Fe—that's where we have come back to.

DRAWING ON STYLE AND APPEAL

7.5JX19 Alloy wheels*

Large alloy wheels with a luxurious design enhance Santa Fe's dynamic driving as well as refined image.

*Available on premium models only

Fog lamps and cornering lamps*

Fog lamps enhance visibility in the event of heavy fog or rain. Cornering lamps enhance lateral vision when turning to improve driving safety.

*Available on executive and premium models only

High-mounted stop lamp

A high-mounted stop lamp integrated into the tail-gate, with bright red LEDs, increases your visibility to traffic behind when you apply the brakes.

Roof rail*

The roof rail adds the final touch to the exterior design to complete the dynamism and sophistication of an urban SUV.

Twin muffler

The dual exhaust pipe design imparts a sharply differentiated high performance image that conveys a European-style sportiness.

Outside mirrors

Built-in heat coils improve visibility even in bad weather. Power folding makes operation convenient. Moreover, puddle lamps deliver side repeater and welcome features for excellent design and functionality.

7.0JX17 Alloy wheels

7.5JX19 Alloy wheels

Premium sound system (only with Navigation, standard on premium model)

*Available on executive and premium model 4-wheel drive only

DRAWING ON FUNCTION AND APPEAL

USB & AUX input jacks

USB and AUX input jacks enable convenient listening of MP3 files as well as other formatted music through Santa Fe's high performance audio system.

Solar glass

Solar glass effectively blocks UV rays from passengers and prevents the discoloration of the interior.

Glove box cooling

The glove box cooling area is large enough to store and refrigerate drinks during hot weather.

12-way power adjustable driver's seat*

The driver's seat can be optimised in eight different positions on top of which the lumbar support can also be adjusted in four different ways to provide greater driving comfort.

*Available on premium models only

THE FUTURE IS CERTAIN.

Your Hyundai Santa Fe is built to the highest quality standards. To ensure your complete satisfaction, we also offer our highest level of warranty protection: the 5-Year Warranty that reflects our commitment to long-term quality assurance and customer care.

5-YEAR UNLIMITED MILEAGE WARRANTY

Your 5-year unlimited mileage* warranty provides bumper to bumper coverage, including powertrain, plus a 12-year anti-perforation warranty. Your warranty is valid in 26 countries across Europe, excluding Russia, Croatia, and Ukraine.

*Vehicles used for taxi or rental car purposes are covered by a 3-year, 100,000 km warranty.

CARE & RELATION

The promise of a generous brand that cares about consumer needs, listens to feedback, and is keen on understanding how it can make a difference to people's lives.

5-YEAR ROADSIDE ASSISTANCE

As part of Hyundai's commitment to aftersales excellence, we have teamed up with AA Ireland offering you Hyundai Assist Roadside Assistance.

STRESS-FREE

A commitment to improve the quality of the ownership experience over time.

5-YEAR VEHICLE HEALTH CHECK

In addition to your scheduled service maintenance, your Hyundai dealer will perform a check on key elements of your i20, including engine, transmission, steering, suspension, and brake systems, during your 5-year warranty period.

RELIABLE

A reassurance over Hyundai's quality product, aimed at reducing perceived risks and lowering barriers to consideration.

Hyundai is constantly focused on understanding the changing needs of our customers. This is why we carefully listen to your feedback, and never stop the search for new ways to increase your long-term satisfaction as a Hyundai owner.

We hope our 5-Year Warranty package shows our commitment, appreciation, and focus on ensuring a reliable premium ownership experience. Together with our dealers across Ireland, we look forward to serving you, and exceeding your expectations each time you turn to us.*

*Taxi's, PSV's and Commercial vehicles will receive Hyundai's 3-yearwarranty. For more information please consult your main Hyundai dealer.

ACCESSORIES

You've chosen the Santa Fe because, like you, it breaks away from past conventions and conceptions. It makes a clear statement about your confidence and your independence of thought. Choose from these accessories to emphasise your personal style.

1. Tailgate trim line
Created to complement other design details, this polished stainless steel strip brings a stylish finishing touch to the tailgate.
Part No. 2W491ADE00ST

2. Side steps "rugged"
Robust aluminium side steps with non-slip rubber tread inserts are very useful when attaching roof accessories, and they ease access to the passenger cabin. They also add an extra touch of sportiness.
Part No. 2W370ADE00

3. Side steps "sporty"
Highly polished stainless steel side bars accentuate the rugged elegance of the Santa Fe, while protecting the lower body when venturing off-road.
2WF37AC005

4. ProRide 591 bike carrier
After the bike is placed upon the frame holder, all adjustment and securing can be carried out at roof height using the single-handed rotary knob. The weight limit is 20kg.
Part No. 55701SBA10

5. Cross bars, aluminium*
Designed to fit the roof rails of the Santa Fe, the cross bars can be installed or removed in seconds. Made from lightweight and robust aluminium, they conform to City Crash test standards.
Part No. 2W211ADE00AL

*Only for vehicles with fixing points

*Panoramic roof, if fitted, must not be opened when cross bars are in position on the vehicle

6. Cargo separator

This versatile grid system securely separates occupants from contents of the load space. Its shape follows the interior contours of the Santa Fe, and the grid bars are arranged to provide optimal rear vision. Upper frame may be used alone, and is necessary for vertical split installation. Lower frame can be only used in combination with upper frame.

Upper frame
Part No. 2W150ADE01

Lower frame
Part No. 2W151ADE01

Vertical split
Part No. 2W152ADE01

*7. Tow bar, fixed

If you do a lot of towing, the fixed tow bar made from rust-resistant high quality steel is the one for you.

Part No. 2W280ADE01

8. Blue LED lighting

Concealed floor illumination for the front foot space. It provides welcome illumination that automatically switches on and off with the opening and closing of the front doors. .

Part No. 99650ADE00

9. Rear seat entertainment cradle.

Secure mounting cradle allows rear seat passengers to view an iPad. Once mounted, iPad can be tilted and rotated to provide the best viewing angle
Part No. 99582ADE00

10. Wind deflector, front

The aerodynamic shape redirects outside airflow, deflecting wind and raindrops when driving with front windows that are slightly open. Set of 2.
Part No. 2W221ADE00

11. Trunk liner

Durable protection for carpets and interior trim from dirt and moisture. It is light, flexible and easy to keep clean, with an attractive surface design.

Part No. 2W122ADE07

12. Textile floor mat, standard

Set of 4 mats that fit perfectly in the foot-wells of the Santa Fe. Made from rugged needle felt, with built-in fixing points on the underside.

Part No. 2W143ADE10 – Black

Part No. 2W143ADE10BR – Brown

Part No. 2W143ADE13 – Black 3rd Row

Part No. 2W143ADE13BR – Brown 3rd Row

13. Luggage cover, 7 seater

Keeps luggage out of sight and protected from the effects of direct sunlight.

Part No. 2WH15AP000RYN

14. Business suit hanger

Part No. 99770ADE00

15. Rear bumper protection foil, black

Made specifically for the top surface rear bumper, this black protective foil prevents damage to the paintwork while loading and unloading.

Part No. 2W272ADE00BL

NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and has become an integral part of their lives. At the same time, the automobile industry has experienced seismic change.

Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.
