

Hyundai Tucson

A true game changer. The Hyundai Tucson.

Opening our minds to change allows us to see things in a different light, throw out old assumptions and celebrate the new. The Hyundai Tucson demonstrates the power of change. Its bold design expresses both agility and elegance in one. It is evident in the signature Hyundai hexagonal grille, distinctive LED headlamps, eye-catching alloy wheels and subtly shaped wheel arches that imply forward movement.

*Image used for illustrative purposes only.

New from the ground up. A change of pace.

The completely new platform of the Hyundai Tucson incorporates a wealth of advanced technologies that bring enhanced levels of performance, handling and ride comfort. The engine line up comprises of two diesel variants, mated to a six-speed manual and six-speed automatic transmission and a 1.6 petrol unit.

Panoramic sunroof. The extra-large panoramic sunroof adds the feel of open-air driving. At the touch of a button you can fill the interior with fresh air and sunlight. An automatic wind deflector minimises noise and buffeting.

*Available on Premium and Premium Plus only.

New navigation system with TomTom LIVE Services. Free 7-year subscription to TomTom LIVE Services provides precise information about traffic, speed cameras, weather and local facilities, all displayed on the 8" touchscreen. *Available on Executive, Premium and Premium Plus only.

Rear view camera. When reverse gear is selected, the camera feeds a live view of the area behind the car to the 8" TFT LCD navigation screen.

*Available on Executive, Premium and Premium Plus only.

On-demand 4WD. When a potential loss of traction is detected, up to 50% of torque is transferred to the rear wheels for improved grip on loose, slippery surfaces and enhanced cornering performance. Torque distribution can be locked in 50:50 mode in extreme conditions. *Available on Executive models only.

Intuitive controls and ergonomic design combine to create an uncluttered dashboard that's a pleasure to use. High-grade soft-touch materials complete the quality picture. Shown here with black leather seats.

*Leather available on Executive, Premium and Premium Plus models only. Specification may vary, please consult your main Hyundai dealer.

Raising the game.

Wherever you look and wherever you touch, you'll appreciate the high quality materials that furnish the cabin of the Hyundai Tucson. But it goes beyond the quality of the materials: the list of available features will really impress.

Electronic Stability Control. Maintains vehicle control by subtle brake or throttle intervention when sensors detect potential instability when manoeuvring at speed.

Heated Seats. Bringing an extra dimension to the word comfort, the heating elements embedded in the front seats quickly warm you up on the coldest of winter mornings. *Available on Executive, Premium and Premium Plus models only.

8" Touchscreen Display. View comfortably from the 8" touchscreen display. *Available on Executive, Premium and Premium models only.

Reclining rear seatbacks. Back seat passengers can enjoy levels of comfort usually only available to those in the front - reclining seat backs.

You're in safe hands.

The Hyundai Tucson is available with a comprehensive range of active and passive safety technologies that combine to help keep you safe, even in extreme situations.

Auto Cruise Control with Speed Limiter. Simply set the speed you want and the car will maintain that speed until you intervene by braking, accelerating or changing gear. The speed limiter function can be set to prevent unintentional speeding.

Tyre Pressure Monitoring System. Senses and indicates loss of pressure in individual tyres.

Side & Curtain Airbags. All round protection with driver & passenger side and curtain airbags.

Height - Adjustable Seat Belts. The upper front seatbelt mounts are height adjustable for improved safety and comfort.

10

Making life easier.

The Hyundai Tucson is a car that's easy to like. We've also made sure that it's easy to live with. Besides an exceptionally roomy cabin, the sporty silhouette accommodates one of the largest cargo volumes in the segment. Versatility is assured by 60:40 split folding rear seat backs.

Steering wheel remote control. For more convenient and safer driving, the remote switches provide control over the audio system thereby encouraging the driver to always keep both hands on the wheel.

60:40 folding seats. For added versatility, the rear seat backrests feature a 60:40 split, so you can still carry the cargo plus a rear seat passenger or two.

Class-leading load area. The 513 litre load space behind the rear seats can be extended to 1503 litres by folding down the rear seat backs.

FLEX STEER™ display. Each time you select a different FLEX STEER™ mode, confirmation is shown on the driver display. You can view the current mode at any time: Normal mode for city and country roads and Sport mode for faster response. *Not available on Comfort model.

So much choice. You decide.

We're all different, and we all have our own preferences and priorities. The Hyundai Tucson is available in a wide range of exterior colours, complemented by two interior colour packages. All have been created to help you add your own personal touch, which you can extend with your choice of optional equipment and accessories. Your local Hyundai dealer will help and advise you with your selection.

New Thinking. New Possibilities.

We, at Hyundai, are inspired by the passion to create cars that exceed your expectations. Dedicated to the way things should be, not the way they are. Looking for answers before the questions have been asked. We never stop searching for better solutions that help you get more out of life. It's just the way we are.

What does this mean for you? It means that the Hyundai you drive has been engineered to surprise you with its built-in quality. To compliment you with its striking design. To care for you, your family and passengers with its embracing strength. To minimize its impact on the environment. And to satisfy you with intuitive packaging that leaves nothing to be desired.

All of this being the product of new thinking that opens up a world of new possibilities.

Accessories

Side trim lines. Provides a distinctly sporty highlight to the lower door panels. Made from high gloss stainless steel to withstand the elements.

Side steps. Robust matt aluminium steps with anti-slip rubber inlays aid access to the cabin and roof-mounted accessories. Available with LED strip lighting activated by unlocking the doors with the key. Starting the engine fades out the light. Can be combined with mudguards.

Accessories

Hyundai Genuine Accessories have been created to help you enjoy even more fun and versatility with your Hyundai Tucson. All are precision-made using high quality materials, so that they will fit your car perfectly. And They meet the rigorous manufacturing standards demanded of all products carrying the Hyundai name.

Door mirror caps. High gloss stainless steel mirror covers make a premium eye-catching addition to your Tucson and can be combined harmoniously with other extras. *For cars with integrated indicators.

LED lighting foot area. Concealed floor illumination for the front and rear foot space. It provides welcome illumination that automatically switches on and off with the opening and closing of the front doors. Upon starting the engine the illumination dims out. Available in blue and white coloured illumination. *Rear LED floor illumination can only be fitted in conjunction with front.

Entry guards. Creating a premium impression every time the door is opened, these glossy stainless steel entry guards fit perfectly in place and are embellished with the Tucson logo. Set of 4.

Cargo separator, upper frame. Fitting perfectly between the rear seatbacks and the roof, this robust product protects vehicle occupants from the movement of items in the trunk. The easy to install grid is designed not to restrict the driver's rearward view.

Creating the car that reflects your lifestyle could not be easier. Hyundai Genuine Accessories can be combined to add stylish enhancements or to extend the practicality of the Hyundai Tucson. Whatever your priorities, you're sure to find the ideal combination of accessories that fit your life, and your Tucson, perfectly.

Hyundai Glasscoat. Protecting your car inside and out has never been easier with Hyundai Glasscoat paint, alloy wheel and fabric protection package. Your vehicle will retain that showroom finish long after you've driven off the forecourt.

All weather mats. Set of 4 fitted mats that protect the interior from the effects of water, mud and dirt. A Tucson city map and Tucson logo are moulded into the top surface of these durable mats.

Trunk liner. Durable waterproof liner with edge lip that protects the trunk area against dirt and spillages. The Tucson city map and Tucson logo are moulded into the anti-slip top surface that prevents load movement. Matching all weather mats available.

*Image used for illustrative purposes only.

Bumper flap for trunk mat. This custom-made fold-out flap protects the rear bumper from damage while loading and unloading. Attaches quickly and simply to the back of the trunk mat.

Cross bars, aluminium. Designed to fit the roof rails of the Tucson, the cross bars can be installed or removed easily. Made from lightweight and robust aluminium.

The Hyundai 5 Year Unlimited Mileage Warranty applies only to Hyundai vehicles that have been originally sold by an authorised Hyundai dealer to an end-customer, as set out in the terms and conditions of the warranty booklet.
