

NEW THINKING.
NEW POSSIBILITIES.

THE NEW HYUNDAI *i20*

One Car.

Multiple Senses.

Built to inspire all of your senses.

Introducing the new generation Hyundai i20. The perfect car elevates your senses each time you step inside. Crisp body lines flow from the signature Hyundai grille to strike the eye from every angle. Higher quality fabrics and trim create a delicious sense of touch. Enhanced road stability provides a generously quiet ride and combined with efficient engines and technology that reduce the CO₂ to amongst the lowest rating in its class.

Styled to create a design sensation.

Welcome to the next evolution. Inside and out, the new i20 takes our Hyundai design language to a new level of beauty and purpose. Every angle is sculpted to provide a bold stance, while adding to stability and control. Sharp lines sweep across the profile to play with light and shadow, leading to a newly designed rear with combination lamps for improved safety. The result is a Hyundai that looks as strong as it performs in every sense.

Comfort and control at the centre.

The i20 offers a wealth of features beyond its class. At its heart is an elegant centre console. Finished in black gloss trim with soft blue lighting, the console places all climate and stereo controls in a highly intuitive layout. For the driver, an information centre provides vehicle and trip data at a glance, while options such as Bluetooth® voice recognition, leather steering wheel with tilt and telescopic steering and one touch triple turn indication, offer a more comfortable driving environment

Auxiliary ports. The i20 offers an USB/iPod port, plus an auxiliary port to connect or charge other devices.

Steering wheel remote controls. Mounted on the steering wheel for extra safety and ease, the remote audio controls let you adjust the audio volume, mute or change music sources without glancing away from the road. The voice recognition Bluetooth® system* integrated into the steering wheel enables you to make and receive phone calls with the minimum of disruption.

*Bluetooth® available on premium model only.

A clear view of objects behind you.

The more you can see, the faster you can react. That's why the i20 deluxe also includes a safety power window on the drivers side in addition to the park assist system. And the i20 Premium is one of the only cars in its class to offer the advantage of a rear view camera, integrated into the Electro Chromatic Mirror for maximum visibility.

Hidden camera. Located under the Hyundai badge, the rear view camera provides a full wide angle image, which can be combined with rear parking sensors for complete safety while reversing.

*Available on premium model only.

Rear view image. Select reverse gear, and a colour picture instantly appears in the Electro Chromatic Mirror, with a graphic overlay to make parking easier.

Extra safety from every side.

Mirrors can do far more than reflect. The i20 offers the option of greater protection with a choice of rear view and side mirrors, each elevating safety and convenience.

Integrated turn indicators. Curved around the mirror housing for stylish flair, the side indicators provide greater visibility and reaction time for approaching drivers.

Folding mirrors. Keep your i20 safe on narrow urban streets with foldable side mirrors.

- 5 YEARS UNLIMITED MILEAGE WARRANTY
- 5 YEARS ROADSIDE ASSISTANCE
- 5 YEARS VEHICLE HEALTH CHECK

Electro Chromatic Mirror.* This mirror automatically adjusts to incoming light levels, so glare from the sun and night traffic is sharply reduced.

*Available on premium model only.

Comfort beyond comparison.

Inside the i20, a greater feeling of space is just the start.. Supple seats with cloth fabrics, driver armrest and a light adjustable driver's seat, make every drive a pleasure, while a range of features add greater versatility and safety.

Spacious cargo room. The i20 provides an incredible 1,060 litres of cargo space with the seats folded down. For a wider range of cargo options and easier access, 60:40 split rear seats are standard.

Glove box. Bright illumination makes it easy to retrieve items at night.

Maximum versatility. You will be impressed, even with the rear seats up, the i20 provides 295 litres of cargo space, enough to keep plenty of luggage safe under the tonneau cover.

Technology made brilliant.

It's time to raise your expectations. The i20 goes beyond its class by providing technology to guide your senses. From rain and light sensors to motor driven power steering, you get far more than you expect. While for the driver, a central digital screen on the instrument panel delivers greater clarity and control.

Dashboard illumination. The i20 offers consistent blue lighting across the dashboard and information centre, so all controls and displays provide a harmonious feel.

Rain and light sensors.* Let the i20 sense the environment for you with rain sensors that monitor windscreen moisture to set the ideal wiper speed, and a light sensor which reacts to driving conditions to increase your visibility and safety.

*Available on premium model only

A first impression that lasts.

Style with plenty of substance. Every aspect of the i20 combines bold design with greater purpose and logic. A focus on aerodynamics, brighter visibility, improved safety and stability has resulted in a perfect match of form and function.

Front grille. The i20 features a new grille born from our Hyundai fluidic sculpture design DNA. A single black bar contours under the Hyundai logo before seamlessly flowing into the side body lines.

Front lighting package. Improve style as well as safety with the curved shape of LED daytime running lamps, plus high power fog lamps that maximise road illumination in adverse weather.

Inspired performance and efficiency.

The i20 leads its class in lowering emissions. A highly advanced manual diesel engine offers generous power, yet produces CO₂ emissions as low as only 84g/km, amongst the lowest of any conventional car in its class. An efficient petrol option is also available in both manual and automatic transmission.

15" alloy wheels. Our 15" alloy wheels are finished to the highest quality and are available as standard on the premium model.

Rear combination lamps. Central to the new rear design are lamps that provide a distinctive, stylish shape at night.

Petrol

For optimal fuel economy a 1.25 litre engine with a smooth 5 speed manual also includes integrated StopGo which is fitted on selected models to help reduce the CO₂ emissions.

Diesel range

Lower emissions and greater fuel savings are the focus of the i20 diesel range. A new manual 1.1 diesel with 75 PS has CO₂ emissions of only 84g/km, amongst the lowest of any conventionally powered car in its class. Or for extra torque and power, you can select a 1.4 litre diesel, delivering 90 PS and includes integrated Stop Go. Both engines are also matched to a 6-speed manual gearbox.

i20

The Hyundai i20 Classic is available with the following specification as standard:

Driver and Passenger Front and Side Airbags, plus Curtain Airbags

Seatbelt Reminder Front and Rear

- Some of the equipment illustrated or described in this catalogue may not be supplied as standard equipment and may be available at extra cost.
- Hyundai Cars Ireland reserves the right to change specifications and equipment without prior notice.
- CO₂ Emissions from 84g/km to 114g/km depending on model
- Model dimensions: 1,710mm (width), 3,995mm (length) and 1,490mm (height)
- Please consult your dealer/www.hyundai.ie for details on wheel energy efficiency rating

Hyundai G3 Glasscoat

This revolutionary product once applied by our specialists gives your car a ceramic-hardened glass finish to protect paintwork and wheels – so that your car stays visibly cleaner for longer

Please consult your dealer for further details

Hyundai Complete Care

As well as the standard benefits of the Hyundai 5 Year Warranty Package, for a small additional amount, you can also fix the cost of your vehicle servicing for up to 5 years, with our Complete Care fixed price service plans. Please ask your dealer for more details or log onto www.hyundai.ie

Hyundai Loyalty Club

As a Hyundai owner you will be eligible to join our exclusive owners' rewards club.

Hyundai Loyalty Club is a website resource for owners where they can check & store information about their car, communicate with their dealer and get various discounts and special offers from their dealer, Hyundai and partner brands.

THE FUTURE IS CERTAIN.

Your Hyundai i20 is built to the highest quality standards. To ensure your complete satisfaction, we also offer our highest level of warranty protection: the 5-Year Warranty that reflects our commitment to long-term quality assurance and customer care.

5-YEAR UNLIMITED MILEAGE WARRANTY

Your 5-year unlimited mileage* warranty provides bumper to bumper coverage, including powertrain, plus a 12-year anti-perforation warranty. Your warranty is valid in 26 countries across Europe, excluding Russia, Croatia, and Ukraine.

*Vehicles used for taxi or rental car purposes are covered by a 3-year, 100,000 km warranty.

CARE & RELATION

▶ The promise of a generous brand that cares about consumer needs, listens to feedback, and is keen on understanding how it can make a difference to people's lives.

5-YEAR ROADSIDE ASSISTANCE

As part of Hyundai's commitment to aftersales excellence, we have teamed up with AA Ireland offering you Hyundai Assist Roadside Assistance.

STRESS-FREE

▶ A commitment to improve the quality of the ownership experience over time.

5-YEAR VEHICLE HEALTH CHECK

In addition to your scheduled service maintenance, your Hyundai dealer will perform a check on key elements of your i20, including engine, transmission, steering, suspension, and brake systems, during your 5-year warranty period.

RELIABLE

▶ A reassurance over Hyundai's quality product, aimed at reducing perceived risks and lowering barriers to consideration.

Hyundai is constantly focused on understanding the changing needs of our customers. This is why we carefully listen to your feedback, and never stop the search for new ways to increase your long-term satisfaction as a Hyundai owner.

We hope our 5-Year Warranty Package shows our commitment, appreciation, and focus on ensuring a reliable premium ownership experience. Together with our dealers across Ireland, we look forward to serving you, and exceeding your expectations each time you turn to us.*

*Taxi's, PSV's and Commercial vehicles will receive Hyundai's 3-Year Warranty. For more information please consult your main Hyundai dealer.

NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and has become an integral part of their lives. At the same time, the automobile industry has experienced seismic change.

Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.
